## Message from the Personal Representative

Greetings Brothers!

We are all happy to have all survived the Holiday Season. In January, we experienced a wildly successful Feast of Kadosh. I cannot begin to express my gratitude and admiration for the job done by Master of Kadosh, Rob McClarty, 32°, for that evening. He created a program where none existed.

We have conducted two meet and greets with potential candidates for membership. My thanks to the brothers at Russell for a very nice evening. The crew in Manhattan is always busy promoting the Scottish Rite.

We are initiating a new program known as the Knight of the Double Eagle. There is more about that in this newsletter.

Please plan to attend the Walk/Run at Ft. Hays State University. This is the major fundraiser for our RiteCare clinic. The more Scottish Rite members participating the better. Be sure to bring wives, children and grandchildren.

You should also make plans to attend the Feast of the Consistory in Manhattan. There is more information on that in this newsletter.

## Message from the Secretary

### What is the mission of the Scottish Rite?

To attract, retain and develop Freemasons through proactive leadership, citizenship, and benevolent programs which ensure that brotherhood is the peculiar characteristic of Freemasonry; that its principal tenets are brotherly love, relief and truth, that we are one sacred band or society of friends and brothers who have but one aim and that is to promote peace and harmony among ourselves and neighbors.

Our order is more than a fraternity of good fellows, engaged in the benevolent practices of friendship and relief. It is aggressively active and militant order, a knighthood, devoted to the cause of Liberty, Equality and Fraternity.

To establish righteousness and ordain mercy, to protect the weak and combat all dogmas or doctrines that would imprison the human spirit: this is the mission of Scottish Rite Masonry. Cont. on next page.

**Website: [valleyofsalina.org](http://valleyofsalina.org)**

The Scottish Rite seeks to cultivate personal morality and the sentiment of tolerance and fraternity in the hearts of men. What has been said and done by the historic emancipators for the liberation of the human mind is vividly portrayed in its Degrees, and the Scottish Rite Mason is dedicated to the effort to make the spirit of Masonry prevalent in society.

Albert Pike, a famous Masonic scholar, said in 1858: "This is the Masonic creed: Believe in God's infinite benevolence, wisdom and justice; hope for the final triumph of good over evil, and for perfect harmony as the final result of all the concords and discords of the Universe; and be charitable, as God is, toward the unfaith, the errors, the follies and the faults of men; for all are one Brotherhood."

Valley of Salina has promoted Scottish Rite by supporting its Blue Lodges. We must support our Lodges and show interest in the candidates to make sure they are raised to a Master Mason in a timely manner. The answer Brothers is for each one of us to reach out to the candidates who want further light in Masonry and encourage them to join Scottish Rite.

## POTENTIAL and NEW MEMBERS

On Tuesday, February 7, 2017, John Reynolds, Jim Winn , Art Adams and Don Moser visited Russell Lodge. The Brothers greeted us warmly and plied us with food and drink. In return, Jim and I gave a short program about Scottish Rite. The next hour was discussing and answering questions from the Brothers. We look forward to our next trip to Russell to see our Brothers again.

On Saturday, February 18, 2017, John and Jim trekked to Lafayette Lodge in Manhattan to meet with current Scottish Rite Masons and potential Scottish Rite Masons. Once again, we enjoyed a fine breakfast prepared by Marvin Rodriguez, KCCH. Again, Jim & I spoke about Scottish Rite and answered questions by all.

Due to the interest in Scottish Rite and the hard work of our current members, we expect a larger class of candidates at the Spring Reunion in Manhattan on April 8, 2017. Please come and meet our new Brothers and enjoy Masonic intercourse with our current Brothers.

## RITECARE

It is that time of year again. April 29, 2017 the Herndon Clinic at Ft. Hays State University is hosting the annual Run/Walk to benefit the clinic. This is our major philanthropic partner. We would ask for your attendance to show the support of the Valley of Salina. There will be more than one vehicle going to Hays, so let us know if you need a ride.

## HONORS WEEKEND

Scottish Rite honors will be extended on November 18, 2017 at the Wichita Scottish Rite Building. This is the time the fraternity honors hard working, energetic and faithful members for their efforts to support the fraternity. There will be a reception on Friday evening.

We do not know who will be honored at this time, so please reserve the weekend now.

## KNIGHT OF THE DOUBLE EAGLE

Brothers! We have a well- established Honors program with the cap system administered nationally. However, John A. Reynolds, 33°, Personal Representative has proposed to the Executive Counsel of the Orient of Kansas a program to recognize the accomplishments of our Brothers locally.

While the program is currently being discussed Orient-wide, the Valley of Salina is committed to the program. As we finish preparations, we will be publishing the rules, so to speak. We will have handouts. We will post on Facebook and on our website.

Keep your eyes open. You will have opportunity for recognition.

## **Reunion experience**

**Written by Tom Krauss, 32°**

In response to your request, here are a few of my thoughts and impressions about the initiation back in November. First, Scottish Rite and its degree philosophies/lessons answered many questions I had about certain parts of freemasonry that thru the regular degree work in Blue Lodge I had yet to uncover, but more importantly has lead me to desire an even deeper understanding of Masonry in a quest for “more light”. To that end, I found the class format which we attended on the individual degrees given by John Woodward to be very well done. Given the immense amount to information and background in each degree, I very much appreciated that he conducted them in simple format of what the meaning of each degree was about and the thought process that goes along with that degree. Speaking for myself, this gave me the message of each degree, but didn’t overwhelm me to the point everything became muddled together, making it substantially easier to go about increasing my knowledge of the individual degrees thru personal study since the reunion. This combined with Brent Morris’ history lesson of the origins of Blue Lodge, Scottish Rite and York Rite made for a wonderful base to work off of for individual study once home.

In regards to the setting used for the initiation process, the Scottish Rite temple in Wichita, anyone who is serious about Freemasonry and its associated bodies could not be in anything other than total awe of this setting for such an endeavor. Finally, and this is just a personal observation, most individuals at the reunion/candidate initiation were wearing name badges or plates. I found this to be of great benefit as while I readily remember faces, I often have difficulty remembering names after first introductions. This combined with Jim Winn introducing me to several black caps immediately upon entering the Temple, who took me “under their wings” so to speak throughout the initiation process made a person such as myself, one who entered the Temple that Saturday morning not knowing a single individual there, instantaneously feel welcome and more at ease.

**Remembrance & Renewal to Honor  
the Knights of Rose Croix who have  
fallen over the past year.**

The Ceremony of Remembrance and Renewal is a public observance designed as a two-part celebration that has been preserved as a solemn service—a ceremony to honor the Knights of Rose Croix who have fallen over the past year. The first part of this commemoration is a gathering to remember our friends, honoring those that have passed by the extinguishing of the lights. This section is symbolic of the crucifixion, reminding us of our mortality. It is recognition of our Brothers who passed over the last year and their lives and earthly labors. The second section is the relighting of the lights, recognition of the resurrection of Christ and signifies our acceptance of life hereafter; it is a celebration of what is yet to come. This custom is a time-honored tradition dating back to 1856. A ritual observed annually by Scottish Rite Masons around the world occurring on or near the vernal equinox. This year’s Scottish Rite Ceremony is on Tuesday, March 21, 2017, at the Trinity United Methodist Church (901 E. Neal) in Salina, Kansas.

### 3<sup>rd</sup> Degree –Master Mason Degree— Ecclesiastes 12:1-7

“The whole is a reminder to start early to remember the Creator (worship God), as you can’t catch up in later life, for while the dust returns to earth, the spirit must return to God for his judgement at the end of our lives. The proper living of our lives and worship of our God must last our lifetime, in order to obtain eternal life with our God when this life is over.

Whatever stage of our life, it is imperative that we as men and Masons: “REMEMBER NOW THY CREATOR! Short Talk Bulletin, Vol 85 November 2007 No. 11.
